## Kindergarten Readiness Testing

Dear CPCC Parents,

Kindergarten Readiness Testing will begin the first part of February. This is a standardized kindergarten readiness test, developed by Scholastic Testing Service, Inc., and is used to determine your child's readiness for CPCC's kindergarten program.

**The cost of the test is \$45.00. If you decide to register your child for kindergarten the testing fee will be applied to your kindergarten registration fee.**

If your child is currently enrolled in our preschool and will be five (5) years of age by November 1, 2012, he/she is eligible to attend kindergarten at CrossPoint Children's Center. Our kindergarten program is a 5 day a week program from 8:30 am to 1:30 pm. Day Care is offered before and after school if needed.

**If you are planning on sending your child to kindergarten at CrossPoint Children's Center you will need to fill out the slip below and return it to the school office with your \$45.00 payment by Monday, February, 6, 2012. No students will be tested without a signed slip and testing fee.**

When your child's testing is complete you will be notified. Once you receive notification you will need to make an appointment to meet with the Director, Sonny Herr, to go over the results of the assessment. After this meeting you will have the opportunity to register for kindergarten.

Registration for kindergarten will need to be completed by March 31, 2012. Any remaining spaces will be offered to children on the waiting list beginning April 1, 2012.
