

CROSSPOINT CHILDREN'S CENTER SUMMER SESSION INFORMATION

June 10 through July 26, 2019

Dear CPCC Parents,

This letter is to provide information on CPCC's Summer Session. If you are interested in having your child attend any of the Activities and Special Events during the summer session, please read this letter and the attached information.

Please Note: During the Summer Session classes and teachers may change due to enrollment, teacher vacations, and contractual considerations.

Each week an activity is planned at the school. If noted these events might have a charge above tuition costs. If your child does not regularly attend on the day an activity is planned, they may still attend the activity as long as you accompany them, watch them, and take them home afterwards. Your account will be charged for any activity fees you have selected.

Please Note: If you have paid for an activity and you are late getting your child to school or you are not able to attend that particular day, the activity money is non-refundable. We are unable to refund the money because the activity has to be reserved earlier in the year and pre-payment has been made by the school.

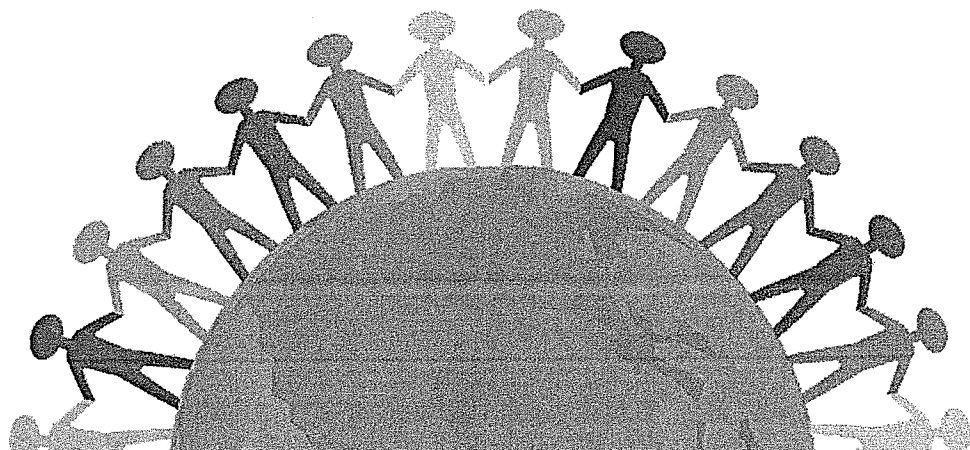

Please Note: CPCC does not give any tuition breaks for vacation time your family may take during the school year or the summer. Vacation and illness procedures are stated in the Parent Handbook on page 16. If a child is out for an extended period of time payment must be made to keep the child's space for both Summer Session and the new school year. Please take this policy into consideration when making your summer plans.

Please fill out and check off the activities you would like your child to attend. ***The Summer Session Activity Form with payment must be turned into the front desk by June 3, 2019.***

We look forward to a fun and enjoyable summer here at CrossPoint Children's Center and thank you for your continued support.

Sincerely,

Linda Mogk
CPCC Director

God's Wonderful World
